

Help Support the Orienteering Resources & Development Project!

By assisting us fund:

- the purchase of orienteering equipment, and/or
- international team travel
- national development programs

Orienteering Australia Inc is seeking to raise around \$5,000 a year in tax-deductible donations to benefit team members and/or State associations.

Benefits to you!

- Your donation is tax deductible
- You are helping to develop the sport of orienteering
- You can nominate which aspect of orienteering you wish to support
- Your support will benefit team members and/or State associations.

How is your Donation Tax Deductible?

By making your donation to Australian Sports Foundation (ASF) in support of our Orienteering Resources & Development Project. For more information about the ASF please refer to the 'ASF 2007 Donation Form' available from <http://orienteering.asn.au/>.

You can make Your Donation in Support of the following Orienteering Projects

• State Association Equipment Fund.

ASF grants will be returned to a donor's State association to be used to acquire orienteering equipment, eg an electronic control recording system. States could raise donations to fund the purchase of an electronic control recording system, eg SportIdent.

• International Teams Fund*

ASF grants will be used to increase the funds available for the senior, junior and mountain bike international team activities.

• National Development Programs

ASF grants will be used to undertake programs such as coach and officials development, orienteering workshops and talent identification.

• Hosting Major Events

ASF grants will be used to support Australia's hosting of major international events such as JWOC, and the continued staging of the Australian Schools Championships.

Please support your sport by making a donation to one or more of these projects by downloading and completing the donation form available at .
<http://orienteering.asn.au/>

**Please refer to the declaration of interests on the donation form.*
